## FROM DR. EDISON UHS PRINCIPAL

Welcome to the second semester! We are excited about the opportunities the new year brings. A second semester is like a clean slate--it's never too late to increase attendance or grades and begin to make up credits lost so students can stay on track for graduation. We will focus on tardies this semester and implement a lunch detention system to assist with that. We also want to keep our students safe and healthy. If students show signs of serious illness, please notify the front office and keep your student home until symptom-free. Send documentation for all absences to the attendance office. Thank you so much for your support!
