Welcome

West Avenue met standard last year. Improved 4%, from 6th place in the district to 4th place. Goal for next year is to be in 3rd place and to be a B school.

Concerns this year are the new 4th grade teachers. Mentors are in place and request any ideas that may help to try.

Student behavior/attendance. Knox is reviewing ideas for this year. Beginning to have circle time in 4th grade to try it out. If it works out, it will be used in all classrooms. This is being used to give the students time to be heard and improve relationships.

Parental involvement-ideas to increase attendance at lunch and learn. Also ideas to increase parental involvement. Idea to have a parent walkthrough. Student folders/communication with parents. Combine signature for less confusion.

Josh couldn't be at today's meeting but met earlier to discuss how they can help this year. They can help with food at Open House. Also having a table at Open House for parents to sign up for PTO. Looking for parents who can also volunteer to tutor.

Meeting ended at 4:47pm
